LIBRARY CARPENTRY

Library Carpentry is made by people working in library- and information-related roles to help you:

- automate repetitive, boring, error-prone tasks
- create, maintain and analyze sustainable and reusable data
- work effectively with IT and systems colleagues
- better understand the use of software in research

... and much more!

NO PRIOR EXPERIENCE NECESSARY.

DATE: DECEMBER 1-4, 2020
WHERE: ONLINE VIA ZOOM
REGISTRATION FEE: FREE
